

Rolls-Royce Motor Cars

Corporate Communications

Westhampnett Parish Council ('WPC') 13/04/2026 v1

Operations

- **Status.** Normal operations following Easter shutdown.

Roadworks

- The advised road works in Roman Road/Stane Street have started and are currently planned to conclude on 1 May.
- Details communicated by Rolls-Royce via InfoHub which includes the latest road closure /diversion details and a Q&A.

Footpath 417

- As previously advised: Footpath 417 has been diverted along the bridleway whilst permitted works take place on the swale. Details can be found on InfoHub. Large information boards have been erected at either end of the footpath closure.

Planning applications

The following applications are Pending Consideration (details from CDC Planning Portal):

[Discharge of Condition 12 \(Phase 1 Surface Water Drainage Scheme\) of planning permission](#)

[WH/23/01855/FULEIA.](#) 

Rolls Royce Motor Cars The Drive Westhampnett Chichester West Sussex PO18 0SH

Community Liaison Officer Notes

- **Community Newsletter.** The Spring Newsletter can be found on InfoHub: <https://rrmcinfohub.com/community-newsletter-spring-2026/>
- **New 40 mph speed limit.** A new speed limit is being introduced to Roman Road as part of the roadworks. A 40 mph section will be added to create a buffer between the existing 30 mph limit and 60 mph limit.
- **Benches: have your say!** As part of our planning permission, three new benches will be provided along Footpath 417. The concrete bases are already in place, and the benches will be put in position once the safety fencing has been removed. Rolls-Royce will also be donating three additional benches to the community, and we welcome your thoughts on where these should be located along Footpath 417 – please contact Susan Nel with your suggestions
- **Community Liaison Forum.** The monthly Community Liaison Forum (CLF) continues to be very useful. The last meeting was held on Tuesday 17 March at the Home of Rolls-Royce, attended by David Plummer and Jamie O’Meara. The next meeting will be held on Tuesday 14 April
- **Traffic Congestion on Stane Street.** We continue to monitor traffic flows on Stane Street and seek further improvements where possible. The new car park is due to be opened later this year and will have significant positive impact, with shift parking separated for the first time.
