Westhampnett Parish Council ('WPC') 09/02/2026

Operations

- **Status.** Normal operations.

Roadworks

- The advised road works in Roman Road/Stane Street start on Monday 9 February and are currently planned to conclude at the end of April.
- The details and outline schedule were advised in a letter drop to residents from Walkers Construction. A copy of the letter was posted on notice boards and on InfoHub and is included at the end of this note.
- Further details as available will be communicated by Rolls-Royce via the WPC, Noticeboards and InfoHub.

Planning applications

The following applications are Pending Consideration:

[Discharge of Condition 12 \(Phase 1 Surface Water Drainage Scheme\) of planning permission WH/23/O1855/FULEIA.](#) 

Rolls Royce Motor Cars The Drive Westhampnett Chichester West Sussex PO18 OSH

Ref. No: 25/O2818/DOC | Received: Thu 20 Nov 2025 | Validated: Thu 20 Nov 2025 | Status: Pending Consideration

Rolls Royce Motor Cars The Drive Westhampnett Chichester West Sussex PO18 OSH

Ref. No: 25/O2810/NMA | Received: Wed 19 Nov 2025 | Validated: Wed 19 Nov 2025 | Status: Pending Consideration

Details from CDC Planning Portal.

Extension Building Works

Rolls-Royce Motor Cars

Corporate Communications

- **Swale Redesign.** As previously advised - due to additional works required to the swale (to the east of the extension building), Footpath 417 will in part be diverted along the bridleway. Planning permission for the additional works has been applied for. Westhampnett Parish Council has been briefed, and we are working closely with both CDC and WSCC.

Community Liaison Officer Notes

- **Community Liaison Forum.** The monthly Community Liaison Forum (CLF) continues to be very useful. The last meeting was held on 15 January at the Home of Rolls-Royce, attended by Jamie O'Meara and David Plummer. The next meeting will be held on 19 February.
- **Traffic Congestion on Stane Street.** We continue to monitor traffic flows on Stane Street and seek further improvements where possible.

WALKER CONSTRUCTION

Our Ref: 326049_BS01

January 28th 2026.

Dear Sir/Madam,

NOTIFICATION OF FORTHCOMING CONSTRUCTION WORKS ON THE HIGHWAY

LOCATION OF WORKS: Stane Street – (Roman Road)

DURATION OF WORKS: 12 weeks commencing Thursday 5th February

On behalf of Rolls Royce, Walker Construction (UK) Ltd will be undertaking a number of highway improvement works at various locations along Stane Street, Chichester.

The development of the highway at these locations is in conjunction with the on-going construction works upon the Rolls Royce site where this new factory access location along Stane Street will be completed.

The Highway work in other areas along Stane Street consists of new bus stop installation works at two locations, associated drainage activities, road surfacing, road marking and signage.

Part of the improvement works consist of road widening at the junction of Stane Street with the A285; at this location the approach road to this junction will be made wider to facilitate better turning for all vehicles.

As a result of the works, we will need to install various traffic management set-ups:

- Temporary traffic signal control shall be in place throughout, in the different locations from the 05/02/26 to 01/04/26 for the works.
- A road closure will be in place at the Stane Street junction with A285 between the planned dates of 02/04/26 to the 26/04/26.
- Between the 23/04/26 to the 26/04/26 there will be as full road closure in place upon Stane Street for a duration of approximately 3 days for resurfacing works upon the carriageway.
- Diversion routes will be in place and the diversion plan is appendix to this Letter. Resident access only will be allowed with the extents of the closure locations indicated by signage and barriers laid out at Site.

We thank you in advance for your patience whilst these works are undertaken, and we shall endeavour to complete these works as quickly and as efficiently as possible.

Yours faithfully,

Brett Sidders
Project Manager
Walker Construction (UK) Ltd
